Christians Against Christian Nationalism Minnesota was started in January 2024 to improve communication and coordination among Minnesota Christians and churches who are concerned about Christian nationalism.

Our mission is to promote Christ's command to love one another and to help repair distortions of the Christian message. We will work alongside Christians, people of other faiths, and non-believers to advance four core principles:

Love and care for your neighbor

God's love for all people

The inherent dignity of every person

Separation of church and state
